NEW ACCESSORY FOR THE POWERSCAN 9600 BASE STATIONS/CHARGERS – CRADLE WALL BRACKET

OVERVIEW

Datalogic is pleased to announce a new accessory for the PowerScan 9600 base stations/chargers, now available for sale.

The new Cradle Wall Bracket WBR-P096 is intended as an accessory of any base station/charger of PowerScan 9600 family (BC96XX) to secure the scanner when installed on a wall. The Cradle Wall Bracket avoids accidental falls by increasing the resistance necessary to insert/remove the scanner to/from the base, while improving the product's ease of use.

NOTE: The Cradle Wall Bracket is already part of the Vehicle Mount Kit VMK-P096 for use on the forklift.

Part number	Description	Availability
WBR-P096	Cradle Wall Bracket, PowerScan 9600 (requires BC96xx base station)	17 th March, 2025

NEW ACCESSORY FOR THE POWERSCAN 9600 FAMILY CM9680-N200 CONNECTION MODULE

OVERVIEW

Datalogic is pleased to announce a new accessory for the PowerScan 9600 family, now available for sale.

The new CM9680-N200 communication module implements Ethernet/Ethernet IP standards and is compatible with both wireless scanners (as interface expansion for modular BC96xx base stations/chargers) and wired scanners (as corded accessory).

Part number	Description	Availability
CM9680-N200	CM9680-N200 Connection Module, Ethernet / ETH IP	1 st April, 2025

NEW CRADLE POWERSCAN 9600 – BC9680-433-ETCD90

OVERVIEW

Datalogic is pleased to announce a new Base Station/Charger for the PowerScan 9600 family. The BC9680-433-ETCD90 is a modular cradle for all wireless PowerScan 9600 scanners with Datalogic Proprietary STAR Radio 2.0 connectivity (433 MHz), equipped with the connection module CM9680-N200 to implement Ethernet / Ethernet IP standards. The BC9680-433-ETCD90 shares the same communication standard as the BC9681-N200 (Ethernet / Ethernet IP), however, it does not support POE (Power over Ethernet) and M12 connectors. It is the best solution whenever an IP65-rated base station is not needed.

Part number	Description	Availability
BC9680-433-ETCD90	BC 9680 Base Station/Charger, 433 MHz, Ethernet / ETH IP	Already available
