

End Of Sale Bulletin – PMB-11894 Rev B

Date	Contact	Email
June 5, 2026	David Chu	David.chu@zebra.com

Bulletin Type	Announcement Type	Business Unit	Portfolio	Applicable Region(s)
Product Marketing Bulletin (PMB)	End of Sale	EMC	Mobile Computers	☒ NA ☒ EMEA ☒ LA ☒ APAC

Description:	TC53 / TC58: End of Sale (EOS) Announcement
Reason for Change:	PMB-11894 Rev B: End of Sale of TC53 / TC58 and Transition to TC53e / TC58e / TC501

EOS Announcement Scale	
☒	Full Model End of Sale
☐	Select SKUs from a Model going End of Sale

1. Transition Overview

Rev B changes RMA timeline / dates in section 2.

The purpose of this bulletin is to provide advanced notification to Zebra's valued Distributors and Partners regarding the End of Sale plans for the TC53 and TC58 product lines.

The highly successful TC53 /TC58 product family has held key position in Zebra's product portfolio since its introduction in 2022. The TC53 /TC58 have been deployed globally in a wide range of uses cases to help customers improve their operations, optimize workflows, and drive increased efficiency and productivity among their workers.

Zebra introduced the TC53e / TC58e in 2024 and the next generation TC501 recently released in 2026. The TC501 builds on the legacy TC5x category success in a brand-new form factor with increased durability and a new platform with increased performance. The TC501 propels our product portfolio in the transition of Artificial Intelligence (AI) to the frontline worker along with the latest technology updates such as: higher memory configurations, updated data capture (scanning and camera) capabilities, Wi-Fi 7, brighter AMOLED display, Bluetooth 6, integrated UHF RFID, and higher capacity removable batteries.

The decision to end of sale the TC53 / TC58 product family aligns with Zebra's commitment to continuously innovate and provide our customers with the most advanced and up-to-date technology.

2. Product and Kit Transition Timeline and Mapping Table

Product Transition Timeline*	Date
Planned PMB release date	May 18, 2026
First RMA Request Date for Channel Returns	August 17, 2026
Last RMA Request Date for Channel Returns	August 24, 2026
Last Channel Return Date	September 24, 2026
Last Book Date	October 30, 2026
Last Ship Date	December 31, 2026
End of Engineering Support Date	June 30, 2027
End of Service Date for Serviceable Products (Does Not Apply to Non-Serviceable Kits)	December 31, 2030
Availability of TC53e / TC58e / TC501	Now

*** Note: Due to a number of last time buys for End-of-Life components, the timeline applies while supplies last. Any changes to above timeline will be communicated via a revised Distributor Notice (DN) and/or Product Marketing Bulleting (PMB).**

Discontinued P/N	Description	Suggested Go Forward Options
TC5301-0T1E1B1000-A6	TC53, LAN, 6.0" Display, WiFi 6E, 6GB RAM/64GB ROM, SE4720 Imager, 3.5MM Headphone Jack, 8MP FFC, 16MP RFC, Warm Swap, 4680 mAh Standard Battery, GMS, ROW	TC530E-0T1E1B1000-A6 TC5010-021A1A0001-A6

3. Accessories and Peripherals: Transition Timeline and Mapping Table

All TC53 / TC58 accessories will remain available until further notice and are not impacted by this announcement.

4a. Service and Support: Hardware End of Service Life Policy

All TC53 / TC58 Services SKUs (that are shared with TC53e / TC58e) will remain available until further notice and are not impacted by this announcement.

Zebra Technologies Corporation and its affiliates (“Zebra”) will provide service and support for products manufactured/ sold by Zebra for a period of 3, 4, or 5 years, commencing on the last day of the product’s final shipment.

Zebra will make reasonable, commercial efforts to continue to repair and support products beyond the four-year period at Zebra’s option:

- To meet contract commitments
- Where a significant commercial requirement is identified

- Where Zebra determines in its sole and absolute discretion that there is sufficient commercial reason to warrant continuance of repair and support

Should technology used in the product become discontinued, obsolete, or no longer available in the public domain, making parts or assemblies no longer available for these reasons, Zebra at its discretion will evaluate the impact and if significant, consider the feasibility and economics of a design change to enable continued repair.

The End of Service Life Period may be changed at Zebra's sole and absolute discretion.

Customers who wish to purchase a Zebra Services Contract can do so through the normal channels that they currently use to purchase Zebra products and services.

For more information:

- **Zebra employees:** Visit [Zebra Services home page](#)
- **Partners:** Visit the Products, Services & Supplies tab of [Partner Gateway](#)

If you have additional questions, please contact:

4b. Service and Support: Software End of Service Life Policy

For software applications that have been announced End of Sale (EOS), conclusion of support for these products follows a defined timeline beginning from the product End of Sale announcement (the "EOS Announcement"). For customers with products covered by a Zebra services agreement (the "Support Contract") at the time of the EOS Announcement, the software maintenance portion of its Support Contract, as defined in the Service Description Document applicable to the product EOS (the "Software Maintenance"), will continue for up to twelve (12) months from the EOS Announcement date. Zebra reserves the right, at its sole and absolute discretion, to end such Software Maintenance earlier than this date should conditions warrant.

For customers with products covered by a Support Contract at the time of the EOS Announcement, Technical Support, defined as telephone and e-mail support through Zebra's Customer Support Center, continues through the completion of the customer's software Support Contract, regardless of the availability of Software Maintenance on the EOS software product.

Customers with products covered by a Support Contract that are not using the most current release of the applicable software product on the EOS Announcement date may update to the most current release after

the EOS Announcement, subject to this Statement and the terms of the Service Description Document applicable to customer's Support Contract.

As of the software product EOS Announcement date, multi-year Support Contracts for that product will no longer be available from Zebra. New customers may purchase multi-year contracts up to and including the EOS effective date. Any request for a multi-year software Support Contract for an existing customer must be approved by Zebra Services and the applicable Zebra product group(s).

As of the EOS Announcement date, only annual Support Contracts and one-year renewal Support Contracts will be available without a special approval, as indicated above. Availability of Software Maintenance will be as described above. Technical Support, as described above, will continue up until the conclusion of the customer's Support Contract.

5. Frequently Asked Questions

Q: Why are the TC53 / TC58 being discontinued?

A: The TC53 / TC58 were introduced in 2022 and have reached their expected sales lifecycle and will move into support phase. The TC53e / TC58e and next generation TC501 product lines have been introduced to provide current TC5x customers a smooth transition path.

Q: Are there plans to discontinue the TC53 / TC58 accessories?

A: No. The accessory ecosystem will remain until further notice to support existing deployments and ongoing operations. The TC53e / TC58e product line that continues to be available for sale also leverages the same accessories.

Q: What if I have additional questions related to the TC53e / TC58e or TC501?

A: Please contact your Zebra account manager, channel sales representative, or the device product manager for any additional questions.

End of Sale Timeline Definitions:

First RMA Request Date: First date distributors & partners can request RMA for return of EOL product.

Last RMA Request Date: Last date distributors & partners can request RMA for return of EOL product.

Last Channel Return Date: Last date physical product returns will be accepted (30 days after approval of RMA).

Last Book Date: Last date purchase orders will be accepted for product and/or bundles, kits or system packs containing the product.

Last Ship Date: Latest date for which a customer can request product delivery.

End of Engineering Support: Date when bug fixes, design revisions, and integration with other components, products or solutions will no longer be performed.

End of Service Life Date: Last date technical support and repair services are available.

Warranty: See Zebra Warranty at <https://www.zebra.com/us/en/support-downloads/warranty/product-warranty.html>
