

## Have you got your new ZD421 & ZD621 demo units yet?

Building on the legacy of the G Series, Zebra's new ZD421 and ZD621 desktop printers stand apart! Offering all the premium features, maximum performance and unmatched security your customers need for years of superior, hassle-free printing.

### It's time to Advance Migrate from G to Z!

The ZD421 and ZD621 build on the legacy of Zebra's G Series printers, delivering all the functions and capabilities of their predecessors – and much more, too.

### Simple to Use Intuitive and Powerful Operation

The ZD421 and ZD621 offer new, advanced, 'stand-apart' features. There's a more intuitive user interface, powerful architecture, and field-upgradeable wireless kit.

### Backwards Compatible with Virtually Any Existing Printer

Deploy the ZD421 or ZD621 into existing printer fleets with confidence. Use the same label formats and applications; emulate languages used by other printer brands.

### Connect them Any Way!

These new ZD421 or ZD621 printers can be integrated onto existing wired and wireless networks, or connected directly to any PC.

### Expect the Best Premier Printing Performance

Printers your customers can rely on. And the ZD621 supports a wide variety of use cases, available in healthcare and RFID models.
