Personalized price tags that stand out

Break new ground by quickly, efficiently, and **economically printing** your price tags on plastic card.

TIME SAVINGS

- **Maximum flexibility and responsiveness:** print your labels on demand, directly at your point of sale and benefit from up-to-date labeling in a few seconds.
- **Independence:** free yourself from delivery lead times and minimum order quantities set by your label suppliers.

A STRONGER BRAND IMAGE

- **Unique labels:** personalize your price tags by adding your logo and your choice of graphic features to stand out from your competitors.
- **Professional appearance on your display stands:** create harmony across all your shelves and spark customer interest with attractive labels.
- **Clear and legible communication** with black labels printed in white with a chalkboard finish.

VISIBILITY AND HYGIENE GUARANTEED

- **Ideal dimensions:** the credit card format is an ideal size to highlight your products on the display stands.
- **Hygiene and durability:** very easy to clean, PVC cards are resistant to cold and moisture.

COMPLETE CONSUMER INFORMATION

Display **consumer information** about your products in compliance with applicable regulations:

- **Product name**
- **Price and unit** of measurement
- **Allergens:** in compliance with the European INCO regulation of December 2014.
- **Food safety:** origin and composition
- **Compatibility with their type of diet:** allergies, particular diets, customs, traditions, or religious practices
- **Responsible consumption:** organic and/or locally produced product
